

Bring Hope Bridge to Your Organization

Any Miami organization that serves youth is invited to bring Hope Bridge to your location.

Hope Bridge: A Youth Mental Health Exhibit is a **FREE** interactive pop-up experience that educates parents and adults who interact with youth about common mental health challenges our young people are facing today while promoting resiliency and hope for healing and recovery.

The Hope Bridge experience includes:

- Interactive Mental Health Simulations.
- A Therapy FAQ Booth.
- Raffle Prizes.
- Mental Health Education Materials.
- South Florida Mental Health Resource Directory.
- Coping Strategies.

To reserve a date for the Hope Bridge Pop-Up event at your location to educate your community on youth mental health and promote resiliency, email or call us today!
